

Dear Sir/Madam!

The Extra Hungariam Foundation is a non-profit organization of volunteers, operating since 2014. Our goal is to promote and financially support Hungarian culture in Canada.

We present outstanding performances featuring various genres at our highly successful events. We focus on local artists and guest stars from the Carpathian Basin (Hungary and surrounding the countries). We promote youth and provide financial assistance to Hungarian-speaking schools, scouts and folk-dance groups in the Golden Horseshoe.

During the pandemic, we continued activity by organizing virtual performances. Our fundraising campaigns not only provide good, quality entertainment, but also provide opportunities to promote private entrepreneurs. When the need arises, we aid Hungarians living in minority communities in the countries surrounding Hungary.

This year's major fundraising event will take place on **November 11, 2023**, as we look forward to welcoming and featuring the legendary Blues singer and Front Man of the **Karthago** Rock Band: **Tamás Takáts** at the **Hungarian House**, 141 Sunrise Ave.,

All proceeds from donations and a portion of ticket sales will go towards assisting **Hungarians in Transcarpathia**, in crisis as a result of the **Russian-Ukrainian conflict**. Every measure has been taken to ensure your donation will be accounted for and find its way to the correct destination.

Thank you very much for your assistance! We look forward to seeing you at the show!

Sincerely,

Gábor Vaski
President EH-KMOSz
